Fox radio stations sponsor holiday outreach program

Each year the Fox group of radio stations appeals to its listeners to send in true stories concerning someone they know going through an especially difficult time. The seventh annual holiday gift program is looking to gift 20 local families \$500 each. Nominations may be submitted online at www.foxradio.net

“The holiday season for most is a fun time of year filled with parties, celebrations, and social gatherings, but for some it can be a time filled with sadness, hardship and in some cases tragedy. Whether it’s a fire, an illness, loss of job or a sudden accident, this time of year can be especially difficult,” said Bob DeFelice, Fox market manager.

The money is raised throughout the year from a series of Hudson River cruises aboard the River Rose. Fox Outreach is also supported by the following businesses: Morehead Honda, Cosimo’s Restaurants, The Poughkeepsie Galleria, Nina Restaurant, Advanced Dental, Noto’s Italian Deli, Tarsio’s Wines and Spirits, Torches on the Hudson and Walden Savings Bank.

Fox Outreach, originally founded as Outreach Orange in 2003, has expanded over the years to serve families in Dutchess and Ulster as well as Orange County.
